

OUR SUPPORT TO COMPANIES THAT TRAIN APPRENTICES

Vocational education & training
(FEDERAL VET/CFC)

Would you like to become a training company?

YES OF COURSE! We can support you in becoming a company authorized to train regarding the new Federal bilingual VET: Diploma in commerce.

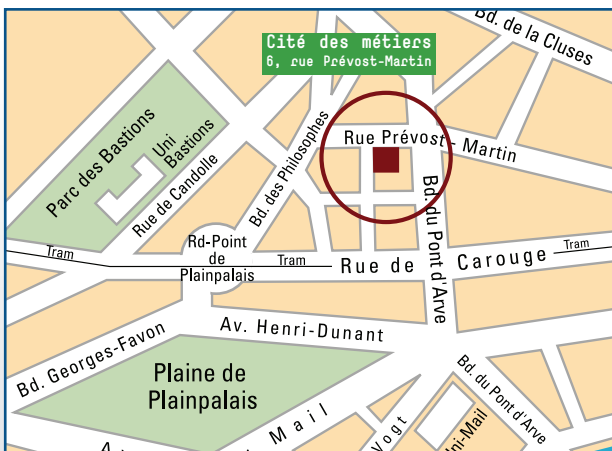

Free of charge, a personal coach from Interface Entreprises will help and assist you before and during the apprenticeship.

Services provided:

- Facilitating the application process authorizing the training
- Possibility of coaching the trainers in-house (eduPros courses)
- Preparation of the necessary documents (apprenticeship contracts, auxiliary documents, ...)
- Assisting companies for the recruitment at the Cité des Métiers (OFPC)
